### PORTXTRA IND-4

All-steel radial industrial tires designed for heavy loads and long cycle times in port and marina applications. Belt-stabilized tread provides better traction, longer tread life and lower heat build up than bias construction tires.

- Belt-stabilized tread provides better traction and wear performance
- Extra wide profile and reinforced sidewall for improved stability
- Tread pattern designed to maximize tread life
- Cut and wear resistant compound
- High quality casing allows for excellent retreadability
